

## Monthly Performance Report | Aug 2017

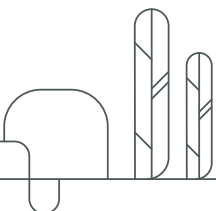

### Usage Summary

	Total Users	Modules Viewed	Educational Page Views	Learning Minutes
Aug	2,160	2,284	44,985	60,753
Since Launch*	19,120	25,981	359,421	493,496

### Top Modules Viewed

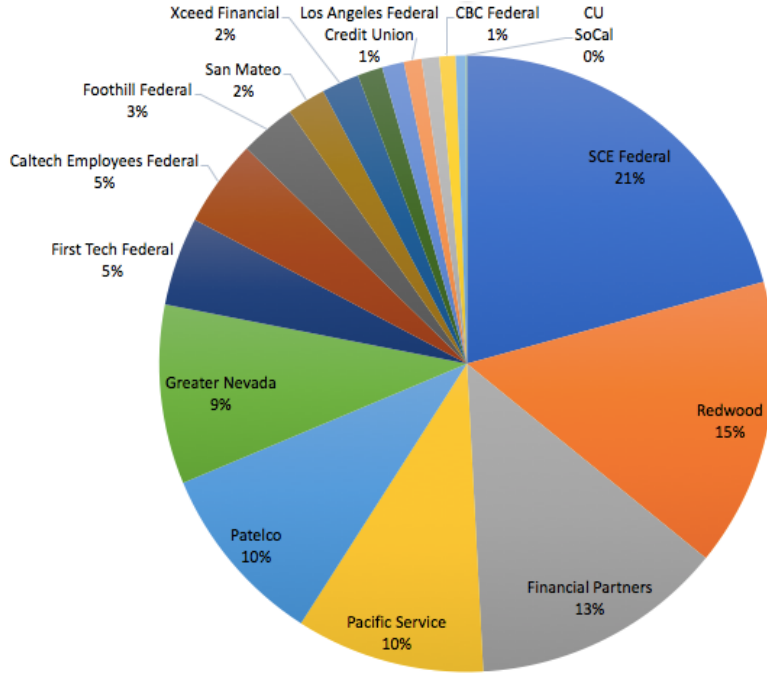

\*The partnership between CANVCL and EVERFI officially launched June 30, 2016. Since then, 29 credit unions have signed on to be part of the program. The metrics reflected above are the aggregate results from 19 credit unions that have launched their adult financial education sites.

# Aggregate Program Performance

From June 2016 to August 2017

## Total Enrollments by Credit Union

### A note about our partnership

The partnership between the California and Nevada Credit Union League and EVERFI is aimed at providing member institutions with an innovative, technology-based member financial education platform to our member institutions that will help bring scale and measurable impact to our collective financial education efforts.
